## MODULO **ExESS** PER **COSMETICI E DETERGENTI**

Oltre alle regole standard definite da CLP e REACH, le industrie di cosmetici e detersivi sono soggette ad una specifica legislazione che **richiede documenti regolamentari**.

Per poter rispondere a queste specifiche normative, **LISAM SYSTEMS** ha sviluppato il modulo di **ExESS "Cosmetici e Detergenti"**, integrato con elenchi regolamentari, modelli di rapporto e certificati stabiliti dalle maggiori associazioni industriali.
